Compliance with RoHS 10 substances restriction

Valued customer:

Please accept our sincere appreciation for your continued business and support.

We have prepared for the products which comply with new RoHS directives since its restricted substances list are revised, and our new products are now available.

We will sequentially switch old product with new product (attached).

Please contact our sale staff for the details.

We appreciate your kind understanding.

Newly added four substances and their controlled content are as below.

| | |
|------------------------------------|------------------|
| Bis(2-Ethylhexyl) phthalate (DEHP) | 1,000ppm or less |
| Benzyl butyl phthalate (BBP) | 1,000ppm or less |
| Dibutyl phthalate (DBP) | 1,000ppm or less |
| Diisobutyl phthalate (DIBP) | 1,000ppm or less |

*The regulation will go into effect on July 22, 2019.

Yours sincerely,

Shiro Takeuchi
Executive Officer
